A Note from Clear Insurance

Sara Gunn (L), former Clear Award winner with Clear Insurance Team members

At Clear, we recognise that running a small creative business is not all about talent. The day to day concerns of cost and risk are just as important.

Our aim is to provide Craft Workers & Designer-makers with value for money insurance products and the best possible customer service.

Our Craft Workers policy has been specially designed to protect your business. In addition, our specialist insurance advisors have years of experience working with businesses in design and craft and have a large understanding of the risks that you may face.

You entered the trade because you loved to create, at Clear we want to help your creation succeed. We are delighted to be associated with Cockpit Arts and in particular to be sponsoring this Award.
