

Family Printing Workshop with Kethi Copeland
Saturday 22 January 2022

Frequently Asked Questions

COVID-19 GUIDELINES

Do I need to wear a face-covering during the workshop?

From the start of the event face coverings are required in all indoor areas of the building. Face coverings do not need to be worn in outside areas.

What should I do before attending the event?

You are strongly recommended to take a Rapid Lateral Flow test before attending the workshop. Lateral flow tests are free and provide a result within 30 minutes at home.

What if I have covid-19 symptoms?

If you believe you may have any of the Covid-19 symptoms, please do not attend. You will need to self-isolate and arrange for a test. Details can be found on:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

What if I am identified as a close contact of someone who tests positive for covid?

Where an individual has produced a positive COVID test result (whether by an LFT or PCR) we will ask potential close contacts to not attend the workshop.

Access to the building

Please do not enter the building until 5 minutes before the workshop is due to start. After the session has finished, please leave the building promptly.

Track & trace

If you are a visitor, contractor or family/carer for a participant, please sign in at Reception for Track and Trace reasons.

Social distancing

Wherever possible, when in the building please maintain a 2-metre distance from other people.

Hand sanitizer

Please cleanse your hands on entering and leaving the building with the provided sanitizer.

Food and drink

Please bring in your own water. If using a refillable bottle, please fill at home.

WORKSHOP INFORMATION

My child can't draw very well. Can they join the session?

Absolutely, we will provide all the assistance needed for learning as well as having fun. Please let us know if you have a special request via our [web form](#).

Who runs these workshops?

Kethi Copeland is an artist-printmaker. Her prints act as a snapshot, revealing the layers of change visible in the architecture, shop fronts and signage. Find out more about Kethi [HERE](#).

What is poly block printing?

Poly block printing is a relief printing technique, carve blocks using the point of a pen or pencil to create the design, and then ink it up using a roller and create a print on paper by applying pressure to the reverse. No experience is required for this type of printing, and it is suitable for all ages.

Will I take the print home with me?

Yes, the final artwork will be created to take home with you. Each drawing will also contribute to the creation of a communal piece of art.

Who are these sessions open to?

Children of all ages under 16 years old.

How many children can join?

We would recommend one child per family, as the group size will be limited to ten children per session.

What equipment do I need?

We provide everything: pencils, papers and painting.

How much does the lessons cost?

All the sessions are free.

Can I leave my child with the instructor during the workshop?

You must attend the workshop with your child. Our intention is to have a conversation with you on the plans for Cockpit Deptford. We would appreciate your feedback during the session.

How long will the sessions last?

The session will last 1 hour with a short break before and after the session.

What safety considerations are there?

Our experienced tutor is fully trained, First Aid qualified, DBS certified and covered by product and public liability insurance.
